Delivery-content

Saildrive

Engine, Saildrive

EVC-Instrument with control-panel

and cable-slang

without Propeller, without engine-bed

Options see Accessories-list

Reverse-Gearboxes

Engine, reverse-gear

EVC-Instrument with control-panel (Compact Diesel)

EVC EC-engines incl electronic Control-lever for shift/speed

el. Cable, without Propeller, see Accessories-list

Volvo Penta IPS

EVC-EC engine, Volvo Penta IPS drive

incl electronic Control-lever for shift/engine-speed

Steering-system electrical

EVC-Instrument with control-panel

without Propeller, see Accessories-list

Delivery-content
 Aquamatic
 Engine, transom-shield incl. Power Trim
 Drive DuoProp DPH, DPS, DPR or SingleProp SX
 Instruments with cable- engine-helmstation
 Trim-Instrument, Power-Steering (Servo-support)
 EVC EC-engines including electronic Control-Lever for shift/engine-speed
 without propellers, see accessories information
 - more instrumentations etc against surcharge available on request

Exhaust-Emission-Legislation:
 1 BSO II (Single Installation)
 2 BSO II (Twin Installation)**
 4 IMO Tier II (valid for engines above 130kW)
 5 IMO US/EPA (valid for engines above 130kW)
 6 US/EPA Tier 2
 7 US/EPA Tier 3
 8 EU Recreational Craft Directive (RCD 2)
 9 CARB (valid for Diesel-engines up to 37kW)
 10 CARB 4 Star (valid for Gasoline-engines)
 ** local adaptation against surcharge possible:
 D4-225 reduced to Crankshaft-power to 147kW/200hp
 D3-170 no changes of Crankshaft-power BUT other Data-Set necessary !!

Remarks:
 1) Propshaft-power/crankshaft-power according ISO 8665. Local available fuel-qualities can lead to deviations regarding power and fuel-consumption. All above listed engine-models, standard-equipment and accessories are not available in all countries. Changes without further notice allowed.
 2) all Catalyst engines are equipped with 2-circle (freshwater-) cooling as standard.
 4) Weight including Aquamatic-drive, gearbox, Saildrive and/or Volvo Penta IPS
 7) Weight without any gearbox
 8) Gearbox-types MS15A, MS25A + HS25A : 8° angle down propeller-flange
 Gearbox-types MS15L + MS25L : 0° straight propeller-shaft-flange

Sound-Emission Legislation
 S All Volvo Penta Aquamatic and IPS Systems have an integrated Exhaust-system and comply with the Sound-Emission-Regulations according EU Recreational Craft Directive (RCD)

DISCLAIMER: prices in local currency are always calculated on daily valid exchange rate at sales-date, €-prices binding and valid until new pricelist will be released.
